### DECLARATION OF REACH COMPLIANCE

AIRCOMP by STAMPOTECNICA is not a manufacturer or importer of simple substances, or mixed ones in preparations

AIRCOMP by STAMPOTECNICA only converts materials purchased from suppliers in finished or unfinished products.

The survey we conducted with our suppliers, has enable us to ascertain that all our major suppliers have already implemented a REACH project.

As of today, our customers are not required to register any substance with the European Chemicals Agency in compliance with REACH Regulation, in connection with our products.

AIRCOMP by STAMPOTECNICA will provide immediate official communication in case any new information concerning the presence of any dangerous substance is found.

What written is valid for the substances listed in the ECHA website up to this day.
